

District Council No. 9, Local Union 1974, IUPAT, AFL-CIO
Drywall Taping Contractors' Association of Greater New York
The Association of Wall-Ceiling & Carpentry Industries of New York, Inc.
Independent Contractors

Request to Joint Trade Board for Use of 80% Rate

See Trade Agreement/Market Recovery Agreement for scope of work and geographical definition. All terms are subject to the Trade Agreement/Market Recovery Agreement. Applicants must submit application during the bid process and must receive final approval from the Union. This request for rate will only apply to the geographical jurisdiction of Local Union 1974. Any willful misstatement of fact will subject applicant to a grievance and may result in the imposition of fines and penalties including loss of privileges under those agreements. Application must be complete and accurate to be processed by the Joint Trade Board.

Request must be emailed to jobregistration@dc9.net. All overtime on an ongoing project must be reported to the Union.
